PARENTS:

Cub Scouting is a program for boys which is neighborhood centered and family oriented. From Tiger Cubs (for first graders and an adult partner), to Cub Scouts (for second and third grades), through Webelos (for fourth and fifth grades), the emphasis is on fun, new experiences, and doing one's best as your son progresses through the Cub Scout program.

If you are looking for safe and wholesome year-round activities for your son, then Cub Scouting is for you and your family. While your son is enjoying the adventure of Cub Scouting, he will develop in character, citizenship, self-esteem, and personal fitness. Scouting strengthens family ties and fosters the traditional values that are so important to all of us.

The Cub Scout Packs in your town meet monthly and the whole family is invited. Between those meetings, smaller groups arranged by school grade, called Dens, meet weekly.

The Packs in your town will be at the sign-up session listed below. So come on down and meet the volunteer leaders. They will be able to answer your questions and assist you in enrolling your son.
